STAT MEMORANDUM FOR: [REDACTED] SA/DCI

FROM: Director of Central Intelligence

I'd like to have available in my desk a list of all GS-17s and -18s in the Agency. I think it would be most helpful if they were listed by the Division of the Directorate in which they are now serving but with tabular entries to note their career service, date of birth, date of appointment to present grade, and any other data you think would be helpful.
